## **Request for Qualifications FY 24-04**

### **Professional Engineering Services**

**Posted August 29, 2023**

The North Central New Mexico Economic Development District (NCNMEDD) is seeking one or more individual engineers, teams, or firms for professional engineering services to plan for and develop public project scopes of work and budget estimates. Projects may be local or regional in scope, and clients may include NCNMEDD, local governments, tribal governments, or special districts such as water and wastewater associations. The scope of the infrastructure design services requested will vary by assignment but may include the following:

- Traffic and Transportation Engineering
- Street Infrastructure Civil Engineering
- Review and Modeling of Storm Drain Improvements from Private Developments
- Review and Modeling of Sanitary Sewer Improvements from Private Developments
- Storm Drain Civil Engineering
- Sanitary Sewer Civil Engineering
- Construction Management and Inspection Services

#### **Responses to this Solicitation**

NCNMEDD is seeking individual(s), team(s), or firm(s) to fulfill this scope of work. To respond to this solicitation, please email a letter of interest and the following information in a single .pdf document to [pauls@ncnmedd.com](mailto:pauls@ncnmedd.com):

1. Number of years and description of public project engineering experience;
2. List of example projects designed and/or constructed, including applicants, amounts requested, and amounts obtained;
3. A list of all personnel who will provide services and a statement of qualifications for each;
4. Contacts for at least three (3) local and/or tribal agencies who have received engineering support; and
5. Hourly rates for all personnel providing services, indicating rates for specific services, if appropriate.

**The solicitation will remain open until 5:00 pm, June 30, 2024.**

Please contact Paul Sittig, Transportation Planner at [pauls@ncnmedd.com](mailto:pauls@ncnmedd.com) or 505-356-9694 with any questions.
